

Troop 325 Service Hours Program

Service can be anything for scouting (Cub Scouts, Boy Scouts, OA, Girl Scouts), church, community, etc. Service toward rank advancement and merit badges count toward the patch as well. Anything involving fund raising does not count nor does recurring church service such as helping with Sunday school. Just about anything else does count though.

- Scout gets center patch for 1 hour of service
- Scout gets 10's patch for each 10 hours of service up to 100
- Scout gets 100's patch for each 100 hours of service beyond the first 100
- Uniformed adult leaders get center patch for 1 hour of service and 100's patch for each 100 (no tens)
